# Boxing ring - IBA approved

TOP TEN

IBA  
INTERNATIONAL BOXING ASSOCIATION

Quick and easy to set up, the 307 x 307 inches IBA competition boxing ring quickly turns a simple training hall into a martial arts arena. The plug-in system made of solid steel tubes is color-coded, making assembly and dismantling much easier. As soon as the basic structure is in place, the 3-layer floor is laid. The cushioning foam layer follows the wooden base plates before both the ring and side surfaces are covered with the durable canvas cover. After the ring ropes have been aligned using the rope tensioners and the enclosed rope separators, the boxing ring is "ready to rumble" with the red and blue corner pads and the two white corners attached. Our boxing ring includes steps.

- ✓ area 307 x 307 inches
- ✓ plug-in system made of colored steel tubes
- ✓ 3-layer ring base
- ✓ side cover
- ✓ ring pads in red, blue, and white

INTERNATIONAL BOXING ASSOCIATION

# 1984 - the beginning

During the Olympic boxing tournament in Los Angeles the World Amateur Boxing Association "AIBA" agreed to cooperate with Georg F. Brückner (TOP TEN) and the Technical University (TU) of Berlin. From this point on Georg Brückner's in many years of experiences acquired knowledge in the material sector of glove and head guard production should be used for a worldwide universal safety program.

FOR YOUR NEEDS

# IBA BOXING GLOVES

Well-thought-out down to the last seam, the IBA-labelled head protection from TOP TEN. The protector sits perfectly on the head with its anatomically tailored fit and sizing. It can be individually adapted to its wearer using the hook and loop system. The cut-out in the face of the IBA headgear guarantees a clear view both forwards and downwards. You always have your opponent in mind, but you can also correct your footwork.

- ✓ protective function scientifically tested
- ✓ high-quality genuine leather cover
- ✓ fixed thumb
- ✓ hook and loop closure
- ✓ color choice red or blue
- ✓ competition weights 10 oz and 12 oz

TOP TEN invented and presented  
World's first single mold boxing gloves

# IBA HEADGUARD

Well-thought-out down to the last seam, the IBA-labelled head protection from TOP TEN. The protector sits perfectly on the head with its anatomically tailored fit and sizing. It can be individually adapted to its wearer using the hook and loop system. The cut-out in the face of the IBA headgear guarantees a clear view both forwards and downwards. You always have your opponent in mind, but you can also correct your footwork. The cover is made of genuine leather on the outside, and the sweat-absorbing material on the inside has a core made of high-damping EVA foam.

- ✓ competition admission with the IBA label
- ✓ EVA foam core
- ✓ protected ear area
- ✓ individual adjustment with hook and loop system
- ✓ size selection

# IBA TANK TOP

The "IBA" tank top for boxing is light and loose. Made from performance-optimized polyester fibers, the sports shirt impresses with ingenious properties. Breathability and a quick drying time are just as important as simple care requirements. Thanks to the reinforced edges on the armholes and neck, the "IBA" tank top keeps its shape and will accompany you for a long time at your competitions. Available in the competition colors red and blue, the TOP TEN shirt corresponds to the official regulations of the International Boxing Association.

- ✓ lightweight polyester material
- ✓ breathable
- ✓ movement-friendly cut
- ✓ IBA approved

# IBA SHORTS

The functional shorts "IBA" from TOP TEN comply with the regulations of the International Boxing Association and are therefore officially recognized competition pants. The shorts are only available in the two competition colors, red and blue. The sports shorts owe their perfect fit to the hips to the wide elastic waistband with an internal drawstring. Thanks to the integrated mesh strips on the side, the "IBA" is a flyweight with a perfect ventilation system. Round after round, the TOP TEN "IBA" shorts protect your skin from annoying irritation caused by sweat or friction.

- ✓ lightweight, functional fabric
- ✓ integrated mesh strips
- ✓ elastic waistband with drawstring
- ✓ IBA approved

# Hand-Wraps elastic boxing bandage

Slightly wrapped around the finger - these are our elastic bandages from TOP TEN. In 6 different colors and 3 different lengths (250 / 350 / 450 cm), the approximately 5 cm wide bandages with thumb loop can be easily put on. Whether boxing, kickboxing, Muaythai or Taekwon-Do - in numerous martial arts you should definitely create bandages to protect your hands. Depending on the size of your hand, you should pay attention to the right length and the right tension. The application of the TOP TEN elastic bandages is child's play thanks to a thumb loop and a strong hook and loop fastener.

- ✓ 5 cm wide
- ✓ 3 different lengths
- ✓ thumb loop
- ✓ hook and loop closure

# Boxing Boots

Where mobility and speed are in the foreground, TOP TEN boxing shoes are used. The sports boots are the ideal mix of functionality and design. The perfect fit of the shoes nestles pressure-free on the foot and so they can also be easily worn barefoot. The additional hook and look fastener you can make an individual adjustment at any time. Decisive for the wearing comfort of the half-high shoes is the lightweight, breathable mesh material. The anti-slip sole gives you great traction on the mat and helps you to a more powerful appearance.

- ✓ slip-resistant sole
- ✓ high stability
- ✓ perfect foot climate
- ✓ narrow toe cap
